Annual Dues: \$100 + \$.50/AGA assessed cow
Out of State Member Dues: \$50

Paid members are included on association mailing lists, website listings, GAIN sponsored shows/sales (State Sale, NE State Fair, Nebraska Cattlemen's Classic), activities, promotions, etc.

Dues help cover costs such as Breed Advertising, Husker Harvest Days, Sponsored Shows and Sales, State Tour, Website, Promotion, Representation and much more!

Also this year, GAIN would like to remind every member having a production sale, we have a new voluntary program that was discussed and voted on at the last annual meeting in January. GAIN members will voluntarily donate to GAIN up to \$50 per GAIN member that attends their sale and gets a bidder number. This is to show a stronger GAIN presence at production sales and to increase the socializing aspect among members. This new program only works if everyone participates.

With your membership this year, we are also including a free business card ad in the Gelbvieh Roundup. ***Please remember to include your business card when you send back your dues ASAP so we have time to include it in the Roundup this month. Thank you!!***
